We embarked on our high school career as Freshmen with a total enrollment of thirty eight. The officers of the year were: President, Jean Williams; Vice-President, Carl McAtee; Secretary-Treasurer, Doris Wagner. The Student Council members from our class were: Jean Williams and Clarence Varner.

Our initiation by the Sophomores was our introduction to high school.

When we began our Sophomore year we had only twenty seven of the original class. Our officers for that year were: President, Don Taylor; Vice-President, Doris Wagner; Secretary, June Jordon; Treasurer, Ron Johnson. The Student Council members from our class were: Clarence Varner and Mercedes Groholske.

The beginning of our Junior year our enrollment dropped to twenty two. Our officers for the year were: President, Clarence Varner; Vice-President, Jean Williams. Secretary, Mercedes Groholske; Treasurer, Louis Tobolske. We chose our class rings in September and were pleased to receive them before Thanksgiving, so we could enjoy wearing them for the rest of the year. In October we had a magazine sale. We made a total of \$91.00.

We chose our candidates for King and Queen for our Midwinter Carnival, which were Mercedes Groholske and Joe McFadden.

Our Junior Play was "Strictly Confidential". The annual Junior-Senior Prom was given by us April 29.

At last we entered our Senior Year. We have 22 members in our class. Our officers for the year are President, Don Taylor; Vice-President, Irvin Groholske, Secretary, Joan Blashfield, Treasurer, Jean Williams.

The Seniors in Government class set up a campaign for the election of Student Council officers. It was conducted as a official election. President Joe McFadden and Secretary Barbara Diamond were the candidates elected from our class.

Our Senior Play was "Here Comes Charlie". Everyone thought it a success. Mrs. Muriel Hayes was our play director both Junior and Senior years.

Junior Class History

At the first meeting of our Freshman class we elected our class officers, which were: President, Don Teeters; Vice-President, Chris Seedorf; Secretary, Doris Waffle; Treasurer, Janice Williams.

The second week of school we were initiated by the Sophomores in front of the student body. There were many embarrassed Freshmen by the time it was over. After the initiation we were treated to ice cream and cake.

At Halloween we had a booth at the Guild Hall and a float showing a "Fall Scene". All the proceeds of the Carnival went toward remodeling of the Gym.

For Christmas we enjoyed a program in the assembly and exchanged gifts.

On the last day of school we had a track and field meet. Our opponent was the Eighth Grade.

At the first class meeting in our Sophomore year we elected officers. The officers were: President, Don Teeters, Vice-President, Marlin Gallup; Secretary, Doris Waffle; Treasurer, George DePew. Later George DePew moved away and we elected Betty Lou Thomas as our Treasurer.

Our chance came to revenge ourselves when we initiated the Freshmen on September 25th. They had to wear what we told them to wear and do stunts in front of the student body.

Our King and Queen candidates for the Midwinter Carnival were Virginia Evans and Don Teeters. 80% of the proceeds went toward the Gym Building Fund.

We enjoyed movies and refreshments in the gym on the last day of school.

Our Junior Class officers are: President, Bill Michael; Vice-President, Norma Newman; Secretary, Cecil Dean; Treasurer, Janice Williams.

Our first event was a dance which we sponsored after the homecoming football game.

Starting October 14 we had a magazine sale lasting 10 days. High salesman was Norma Newman. We made \$117.65 which we certainly needed.

Later the school put on a Halloween Carnival in which we had two booths. One was a candy booth and the other was a bowling game. We made about \$20.00.

We were very glad when our class rings arrived on November 2.

For Christmas the class drew names and exchanged gifts.

Freshman Class History

There are twenty-eight students in our class. There were six boys that went out for football from our class this year.

Our class was initiated by the Sophomore class September 23, 1949.

Our class officers were elected at our first class meeting. They are as follows: Jack Hartley-President, Dale Casebeer-Vice-President, Jane Diamond-Treasurer, Walter McFadden-Secretary, and Sue Stevens-Student Council representative and reporter.

At the Halloween Carnival, October 11, our class sponsored the Hula Hula Dance, and Post Office Booth. At the Marcellus-Tekonsha football game, our class was in charge of the Concession Booth.

The members that joined the basketball squad of our class are Dale Casebeer, Bill Baker, Bill Green, Maynard Doolittle, Charles Russell, Jack Hartley, and Walter McFadden.

Coach Taylor is our class advisor.

Sophomore Class History

At the first meeting of our Freshman class we elected class officers, President-Betty Omo, Vice-President-Earnest Shilling, Secretary-Barbara Patten, Treasurer-Ed Keller.

Our class advisor was Mrs. Warwick.

The Sophomore class gave us a fine initiation and party.

At Halloween we had booths in the gym. All the proceeds of the Carnival went toward the remodeling of the gym.

For Christmas we had a program in the assembly and exchanged gifts.

We began our Sophomore year by electing our class officers which are, President-LeRoy Baker, Vice-President-Ed Keller, Secretary-Charlene Cox, Treasurer-Charles Doolittle.

Football

The Tekonsha Indians of '49 won two football games while losing six. With ten lettermen back, the team showed a great improvement over last year in fundamentals and all around playing.

The Indians dropped their first three games, with Starr handing out the first loss 38-17. This was the first game played on the new lighted field, and the first night football game to be played in Tekonsha. Burr Oak and Schoolcraft then handed the team its second and third losses by margins of 33-6 and 52-32. This last defeat, which showed the team they they could score, seemed to spark them and they rolled over Climax 26-6.

The next game was the Homecoming Game with Mendon, which the Indians dropped 39-14. Centerville dropped the team 43-26 before they could get another win. This came at Starr, where the team didn't have a chance before the game, but won by a margin of 25-16. This was the best game of the season by far, with the opponets being almost entirely unable to stop the Indians. Marcellus then furnished the opposition for the final game and won 24-13. Tekonsha led in the final minutes of the game, but the visitors rallied and scored two touchdowns on a long pass and a fumble.

The Indians ran up a total of 157 points and 1469 yards while their opponents were making 251 points and 1833 yards.

Basketball

As this book goes to press the basketball season is not yet complete. The games to date are as follows:

The Tekonsha Indians started the season off with a 55-27 win over Montgomery. Two more wins followed in rapid succession with Climax falling 31-27 and Mendon 49-34 in league games. The Indians then fell off as they lost to Jonesville 44-28 and Camden 48-29 in a midwinter Christmas tournament at Hillsdale. An Alumni team defeated the Indians 35-25. The team then lost its first conference game to Burr Oak 71-49, but won its third by defeating Mendon 27-22.

The Indians bogged down again and were beaten by Concord 34-32 and by Saint Charles of Coldwater 41-33. The fourth conference win was chalked up with a 59-48 win over Climax. This win assured Tekonsha second place in the Southwestern Michigan Class D. Conference. Burr Oak won the final conference game 53-35 and thus took the championship.

Determined to get back in the win column, the Indians went to Saint Charles and dropped them 44-34. This broke a four game winning streak of the Saints. Montgomery was defeated 31-29 in the closest game of the season.
